

Living Tree Memorial Program

Thank you for your interest in the Living Tree Memorial Program. If you would like to commemorate a date, person, event or an organization; arrange to have a tree planted at either Ken McDonald Golf Course or Rolling Hills Golf Course.

Your living memorial will be cared for and will be enjoyed by future generations. The memorial will beautify your community's golf courses and will be a fitting memorial for a loved one or to celebrate a special moment in time.

A living memorial tree is not only a gift for today but a lasting contribution to the beauty of the course's landscape. A tree spreads its strength and beauty across the years, just as families grow and flourish for generations.
